Descrizione

BAGLIETTO 54M "BURKUT" - 2009 / REFIT 2021

BURKUT is a 54-metre full-displacement superyacht built by the renowned Italian shipyard Baglietto. Designed inside and out by Francesco Paszkowski, she combines a

robust steel hull and aluminium superstructure with exceptional internal volume, refined Italian styling and proven long-range capability.

Her expansive exterior decks are arranged for relaxation and entertaining, with multiple dining and lounge areas, a sundeck Jacuzzi and generous sunbathing spaces.

Zero-speed stabilisers enhance comfort both at anchor and underway, while a guest elevator provides convenient access between decks and supports reduced-mobility

access.

The sophisticated interior includes a formal salon and dining room, library, piano, gym, spa and sauna. BURKUT accommodates 10 guests in five en-suite cabins. The

layout comprises a full-beam master suite with private office, lounge and dressing area, two double cabins and two convertible double/twin cabins. Separate crew

accommodation is arranged in six cabins for a professional crew of up to 13.

Powered by twin Caterpillar 3516 inboard diesel engines rated at 1,939 kW each, BURKUT cruises at 12 knots and reaches a top speed of 17 knots according to the

supplied sales dossier. The dossier states a range of approximately 3,350 nautical miles and a fuel capacity of 90,000 litres.

MAIN SPECIFICATIONS

- * Builder: Baglietto
- * Model: Custom 54 m full displacement
- * Year: 2009; refit 2021
- * Length: 54.00 m / 177 ft 2 in
