Descrizione

HORIZON ELEGANCE 90 "MR & MRS SMITH" - 2007 / REFIT NOVEMBER 2025

MR & MRS SMITH is a Horizon Elegance 90 motor yacht offered in the United Arab Emirates. The supplied dossier states an asking price of AED 6,000,000 and identifies

the yacht as a 2007 Horizon with a length overall of 27.40 m, beam of 6.40 m and draft of 2.57 m.

The current exact-unit listing reports a comprehensive refit completed in November 2025. The updated interior combines a backlit onyx feature wall and bar with a Fendi

Casa dining area. Large windows, generous lounge seating and warm cabinetry create a bright main salon suited to private cruising and entertaining.

Accommodation is arranged for six guests in three cabins. The full-beam owner's suite is described online with a mosaic-finished bathroom and walk-in wardrobe. Guest

and crew arrangements, statutory capacity and the current general arrangement should be confirmed from the yacht's official documents.

The flybridge is a principal social area, with Jacuzzi, wet bar, bar seating, dining and lounging zones, sunbathing space and an upper helm. Exterior photographs also show

teak decks, foredeck sunpads, an aft dining area and a bathing platform.

Propulsion is by two MTU 16V2000 M91 diesel engines rated by the engine manufacturer at 2,000 hp each. The supplied dossier records 3,298 and 3,288 running hours, a

cruising speed of 13 knots, maximum speed of 20 knots, fuel capacity of 10,000 litres and a range of 400 nautical miles.
