Descrizione

GULF CRAFT MAJESTY 66 / COMMERCIAL 68 FT "MAZ" - 2006

MAZ is a 2006 Gulf Craft flybridge motor yacht offered for sale in Dubai, United Arab Emirates. The supplied dossier markets her as a Majesty 68 ft and states an asking

price of AED 3,500,000. Her documented dimensions and production period correspond closely to the Gulf Craft Majesty 66 platform, while the exact online unit listing

uses the commercial model designation 68ft.

The yacht has a bright, high-volume salon with panoramic windows, curved seating, dining area and warm high-gloss wood finishes. The lower deck provides four guest

cabins and four bathrooms for up to eight overnight guests. Exterior spaces include a large aft cockpit, bathing platform, foredeck sunpad and spacious flybridge with

helm station, lounge seating and dining area.

The dossier records twin Caterpillar C18 inboard diesel engines with 1,795 hours on each engine, straight-shaft propulsion, a maximum speed of 25 knots and fuel

capacity of 5,678 litres. It states a cruising speed of 7 knots; this is unusually low for the model and may be an economical speed or a typographical error, so it must be

confirmed during sea trial. The exact online listing states a maximum passenger capacity of 12, four guest heads, 250 US gallons of fresh water and a 100 US gallon

holding tank.

MAIN SPECIFICATIONS
