Descrizione

MAYYAS 75 FT - AL SHAALI MARINE - REGISTRATION DT 1951

MAYYAS is a Dubai charter motor yacht built by Al Shaali Marine. The supplied 2024 dossier identifies her commercially as a 75 ft yacht and clearly shows registration DT

1951. It states a day-charter capacity of 30 people, overnight accommodation for three guests and dedicated quarters for a crew of three.

The yacht offers a bright main-deck salon with bar area, an internal helm station and lower-deck accommodation. The dossier specifically shows master and twin cabins

with en-suite facilities. Current exact charter information associated with MAYYAS reports three cabins, three bathrooms and six berths, although the supplied brochure

limits advertised overnight use to three guests. The dossier figure has therefore been retained for operational overnight capacity.

The hull profile is consistent with the Al Shaali AS68/approximately 22 m flybridge platform, which is commonly marketed in Dubai charter service as 75 ft. The build year,

engine hours and exact machinery fitted to DT 1951 are not stated. Model data marked with an asterisk must be verified against the yacht's registration and technical

records.

MAIN SPECIFICATIONS

- * Builder: Al Shaali Marine, United Arab Emirates
- * Commercial designation: MAYYAS 75 FT
- * Probable model platform: Al Shaali AS68 flybridge (to be verified)
- * Registration: DT 1951
